Top-Shelf

Springs

When the assembly is completed, add the required amount of springs between the acrylic washer and the shelf.

IMPORTANT! Optimum isolation-characteristics are obtained when the load compress the springs to a length of 8-9mm.

OPTION: SOLO-EXTENSION-SHELF-SUSPENSION

4 x M8x60

4 x Aluminium-spacer 32x29mm

4 x Acrylic-washer ⌀ 70mm

12 x Spring
